Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Geauga County Humane Society, Inc. dba Rescue Village and The Rescue Village Foundation (nonprofit organizations), which comprise the consolidated statement of financial position as of December 31, 2022, and the related consolidated statements of changes in net assets, activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of Geauga County Humane Society, Inc. dba Rescue Village and The Rescue Village Foundation as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Geauga County Humane Society, Inc. dba Rescue Village and The Rescue Village Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The consolidated financial statements of Geauga County Humane Society, Inc. dba Rescue Village and The Rescue Village Foundation for the year ended December 31, 2021 were audited by another auditor who expressed an unmodified opinion on those statements on January 11, 2023.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Geauga County Humane Society, Inc. dba Rescue Village and The Rescue Village Foundation's ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Geauga County Humane Society, Inc. dba Rescue Village and The Rescue Village Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Geauga County Humane Society, Inc. dba Rescue Village and The Rescue Village Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information on pages 23 and 24 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Geauga County Humane Society, Inc. dba Rescue Village
And
The Rescue Village Foundation

1 Summary of Significant Accounting Policies

Nature of the Organization:

The Geauga County Humane Society, Inc. dba Rescue Village (“Rescue Village”) is located in Russell Township, Geauga County, Ohio. Rescue Village’s purpose is to shelter and find homes for sick, injured, abused, and abandoned domestic animals; to foster compassion for all living things through education; and to prevent cruelty to animals by enforcing protection laws.

The Rescue Village Foundation (“Foundation”) is a separate legal entity holding the assets of the board-designated endowment to support Rescue Village. Rescue Village appoints the majority of the Board of Directors to the Foundation.

Principles of Consolidation:

The consolidated financial statements include the accounts of the Geauga County Humane Society, Inc. dba Rescue Village and The Rescue Village Foundation (collectively referred to as the “Organization”). Rescue Village and the Foundation have common control and economic interest by design. Significant inter-organizational balances and transactions have been eliminated.

Program Descriptions:

Shelter Program: Rescue Village provides rescue, rehabilitation, and adoption services for dogs, cats, and small animals. In addition, the Organization operates a barn animal program for the rescue and adoption of farm animals such as horses, pigs, sheep, goats, and chickens. In addition, Rescue Village offers a Trap-Neuter-Return (“TNR”) program to control stray cat populations and Fix It In the Farmland program to provide low-cost spay and neuter services for local pet owners. Several of the Organization’s fund-raising activities are also considered programming, specifically Woofstock which provides an outdoor venue where more than 8,000 people, pets, and adoptees are in attendance.

Clinic: general health procedures such as teeth cleaning, general surgeries and health diagnostics are performed. Spay and neuter programs are an effective and humane approach to solving the problem of unwanted and homeless animals. All dogs and cats at Rescue Village are spayed or neutered prior to being made available for adoption.

Other programs include humane law enforcement, animal transportation services, and operation of a pet food pantry for local pet owners. The Organization provides a variety of educational programs and events for individuals, as well as civic, community, professional and school groups. Summer camps for youth and student service projects are also offered throughout the year.

Cash and Cash Equivalents:

For the purposes of the consolidated statement of cash flows, the Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. Temporarily uninvested cash in investment accounts is considered an investment rather than a cash equivalent.

At times during the year, the Organization maintained funds on deposit at its banks in excess of FDIC insurance limits.

Investments:

Investments are recorded at fair value based on published market prices. The difference between their cost and fair market value is recorded as an unrealized gain or loss in the consolidated statement of activities. Specific-identification is used to identify securities sold.

Investments, Fair Value Measurements:

FASB ASC 820, "Fair Value Measurements", applies to all financial instruments that are measured and reporting on a fair value basis. As defined in FASB ASC 820, fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. In determining fair value, the Organization utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and/or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable firm inputs. The Organization utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the examination of the inputs used in the valuation techniques, the Organization is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values.

Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1: Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2: Inputs to the valuation methodology include:

- * Quoted prices for similar assets or liabilities in active markets;
- * Quoted prices for identical assets or similar assets or liabilities in inactive markets;
- * Inputs other than quoted prices that are observable for the asset or liability;
- * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

Inventory:

Inventory consists primarily of medical and general supplies, and animal food. Purchased inventory is stated at the lower of cost or net realizable value using the first-in, first-out (FIFO) method of valuation. Donated goods are recorded at fair value at the date of donation, and subsequent declines in fair value, if any, are recognized at year-end.

Pledges Receivable:

Pledges receivable (due in a year or more) from corporations, foundations, and individuals are discounted to net present value using the federal treasury rate. All amounts included in pledges receivable at year-end were payable in one year, and a discount rate was not applied. Outstanding pledges included in the consolidated statement of financial position at December 31 amounted to \$385,185 (2022) and \$882,254 (2021).

ERC Refunds Receivable:

The Organization was eligible and applied for the Employer Retention Credits (ERC) refunds. The total refunds submitted amounted to \$795,283 and was recognized as revenue in the consolidated statement of activities at December 31, 2021. Amounts included in ERC refunds receivable in the consolidated statement of financial position at year-end total \$274,591 (2022) and \$795,352 (2021).

Property and Equipment:

Property and equipment purchased by the Organization are carried at cost. Donated property and equipment are recorded at estimated fair value at the date of donation. Expenditures which substantially increase the useful lives of existing assets are capitalized. Routine maintenance and repairs and capital expenditures of less than \$5,000 are expensed as incurred. The cost and related accumulated depreciation of property and equipment sold or otherwise disposed of are removed from the accounts and any gain or loss is reflected in the current year's activities.

Property and Equipment, Continued:

The Organization provides for depreciation of property and equipment generally using straight-line methods of depreciation over the following estimated useful lives of the assets:

<u>Class</u>	<u>Years</u>
Land improvements	8 - 18
Building and improvements	10 - 40
Furniture and fixtures	3 - 10
Equipment	5 - 10
Vehicles	5

Advertising Costs:

The Organization participates in various advertising and marketing programs. All costs related to marketing and advertising the Organization's products are expensed in the period incurred. Advertising costs charged to operations was \$15,929 (2022) and \$4,956 (2021) included in the consolidated statement of functional expenses.

Functional Expense Allocations

Expenses are charged to functional areas based on specific-identification when possible. Expenses that cannot be specifically identified to a function are allocated to the functional areas based on factors such as direct relationship of expense, time spent by employees and square footage of space used for various programs.

Net Assets:

Net assets, revenue, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor-imposed restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. The Organization reports contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when the stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions. The Organization reports conditional contributions restricted by donors as increases in net assets without donor restrictions if the restrictions and conditions expire simultaneously in the reporting period.

The Organization reports contributions restricted by donors as increases to net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions.

Revenue Recognition:

Grants that are considered earned income are recognized over the periods to which the services are provided in accordance to the agreements. Amounts from these grants received in advance are recorded as deferred income in the consolidated statement of financial position and total \$1,571 (2022) and \$0 (2021).

Contributions, bequests, and grants are recognized when awarded as with or without restrictions in accordance with donor specifications. When a restriction expires through accomplishment of purpose or passage of time, the restricted net assets are reclassified to unrestricted and reported in the consolidated statement of activities as net assets released from restrictions.

The Organization recognizes contracts with customers recorded as program service fees in the consolidated statement of activities. The contracts consist of adoption center and charitable veterinary hospital services. Revenue is recorded when the service is provided and amounted to \$194,168 (2022) and \$206,087 (2021).

1 Summary of Significant Accounting Policies, Continued

Contributed Nonfinancial Assets:

The Organization receives donations of various goods and services. In-kind donations that met the criteria for recognition in accordance with accounting principles generally accepted in the United States of America were not recorded in the consolidated statement of activities as they were not considered to be significant.

Contributed pet food and pet supplies received by the Organization are recorded as in-kind contribution revenue with a corresponding increase to inventory, then expensed once utilized. Pet food and pet supplies were valued using market prices, primarily using methods that include (1) current price located on publicly available website if the inventory item is a match for the website item when donated and (2) a percentage of the price located on a publicly available website if the item donated has been used but the item located online is new.

The Organization recognizes in-kind contribution revenue and a corresponding expense in an amount approximating the estimated fair value at the time of the donation of professional services. Donated professional services consist primarily of legal and event planning services, which are valued using current rates for similar services.

The Organization received approximately 125,000 (2022) and 70,000 (2021) volunteer service hours that do not meet the criteria for recognition. While these donations are not disclosed, they provide valuable resources to the Organization.

Income Tax Status:

Rescue Village is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and operates as a public charity.

The Foundation is exempt from federal income taxes under Section 509(a)(3) of the Internal Revenue Code and operates as a supporting organization for the benefit of Rescue Village.

The Organization is required to operate in conformity with the Code to maintain its tax-exempt status.

1 Summary of Significant Accounting Policies, Continued

Accounting for Uncertainty in Income Taxes:

The Organization adopted the provisions of "Accounting for Uncertainty in Income Taxes" which prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. The amount recognized is measured as the amount of benefit that is greater than 50% likely of being realized upon ultimate settlement. The Organization recognizes interest and penalties accrued related to unrecognized tax uncertainties in income tax expense, if any. The Organization determined that there are no material uncertain tax positions.

Fair Value of Financial Instruments:

Financial instruments held by the Organization include, among others, pledges receivable and accounts payable. The carrying amounts reported in the consolidated statement of financial position for assets and liabilities qualifying as financial instruments are a reasonable estimate of fair value.

Use of Estimates:

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events:

Management evaluates events occurring subsequent to the date of the consolidated financial statements in determining the accounting for and disclosure of transactions and events that affect the consolidated financial statements.

Subsequent events have been evaluated through November 6, 2023 which is the date the consolidated financial statements were available to be issued.

Reclassifications:

Certain prior year amounts have been reclassified to conform to the presentation used in the current year.

3 Investments

Following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Cash and Cash Equivalents:

These cash funds are valued at cost, which approximates fair value.

Certificates of Deposit:

The certificates of deposit are valued at cost, which approximates fair value.

Mutual Funds:

These funds include both equity and fixed income classifications and are valued at net asset value as reported by the underlying fund. Registered investment companies held by the fund are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The registered companies held by the fund are deemed to be actively traded.

Government Securities and Asset-Backed Securities:

These securities are valued at quoted market prices in active markets for identical assets. Pricing models maximize the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

The Organization's investment return included in the consolidated statement of activities consist of the following:

	<u>2022</u>	<u>2021</u>
Investment income consist of the following:		
Interest and dividends	\$ 345,570	\$ 269,075
