EVENT ETIQUETTE

Be Kind

This is a fundraiser to benefit **all** the homeless animals at Rescue Village. Your participation with staff and volunteers helps make this event possible.

Know Your Pooch

Is your dog shy or reactive? Not friendly with dogs? Not a fan of people?

Woofstock attracts thousands of people and dogs.

Use caution, keep safe a 6-foot distance unless told you are safe to approach and meet.

Keep dogs on leash, per park requirements and keep dogs to your side to not overwhelm other people or dogs. Avoid flex-leads.

Staying Safe with Dogs

Ask prior to meeting/petting. Do not hug dogs or reach over their head to pet. Avoid prolonged eye contact. Pay attention to your dog and others.

Do not stick fingers/hands near or in dogs' mouth.

NEVER break up a fight- notify staff immediately. Incident reports and nearest emergency vet & hospital lists are at the Information tent!

Clean up after your pooch utilizing the Doggy Clean-Up stations throughout the event.

Minimizing Stress in Dogs

Be calm. Don't rush them away or overly comfort the dog. Redirect attention back to you. Ask them familiar tricks (ex: sit, stay, lay). Move the dog to a different area. Give doggy downtime in a quiet, safe place.
